## E-poster & Video Exhibition

More than 400 abstracts on 21 topics will be exhibited as multiple-slide e-posters or video abstracts on the online platform.

### Plenary Session

UAA 2020 will offer a prestigious plenary program to cover the most updated and vital issues related to the clinical practices of urology. Themes chosen for the scientific program reflect the changes we are seeing every day in urology. Speakers representing each of the specific fields will help with your academic advancement.

#### Speakers

Alex T. L. Lin (Taiwan)	Gopal Badlani (USA)	Panagiotis Kallidonis (Greece)
Anthony Chi-Fai Ng (Hong Kong)	Harrina Erlianti Rahardjo (Indonesia)	Sanjay B. Kulkarni (India)
Apichat Kongkanand (Thailand)	Jian-Xing Li (China)	Seung-Ju Lee (Korea)
Arnulf Stenzl (Germany)	John Davis (USA)	Tomonori Habuchi (Japan)
Chongwook Lee (Korea)	John Denstedt (Canada)	Vincent Tse (Australia)
Dae Kyung Kim (Korea)	Lukman Hakim (Indonesia)	Vineet Gauhar (Singapore)
David Ginsberg (USA)	Mototsugu Oya (Japan)	Vu Le Chuyen (Vietnam)
Dennis Lusaya (Philippines)	Norio Nonomura (Japan)	Yeong-Shiau Pu (Taiwan)
Edmund Chiong (Singapore)	Nur Rasyid (Indonesia)	

### Asian Urology Resident Course (AURC)

The Asian Society of Urology (ASU) and the UAA will collaborate with the American Urological Association (AUA) to organize an Asian Urology Resident Course (AURC) in conjunction with the UAA Congress.

Prestigious speakers from the AUA, faculty from Korea, and selected AURC residents will give talks, providing an excellent educational opportunity for residents and trainees.

<b>AUA Speakers</b>	John Denstedt (Canada)	<b>Faculty Lecturers</b>	Won Sik Ham (Korea)
	Kara Babaian (USA)		Kwang Jin Ko (Korea)
	David Ginsberg (USA)		Kang Jun Cho (Korea)
	Joseph Liao (USA)		Seong Jin Jeong (Korea)
	Aseem Shukla (USA)		Dalsan You (Korea)

### Semi Live

The semi-live surgery program is one of the highlight courses of UAA 2020, showcasing the latest technical know-how and innovative skills. This course will provide great educational value and excellent training opportunities to urologists even at the highest level as it will allow the audience to view operations conducted by world-renowned surgeons.

<b>Semi Live 01</b> - Kidney Cancer	• Robot Radical Nephrectomy with IVC Thrombectomy
	• Waterjet Partial Nephrectomy: Zero Ischaemia by Conventional Laparoscopy
<b>Semi Live 02</b> - BPH	• Laser Enucleation of Prostate - How I Do It
	• Transurethral Anatomical Enucleation of Prostate with Bipolar Systems (TUAEP): How I Do It?
<b>Semi Live 03</b> - Stone	• Supine PCNL in Vietnam
	• RIRS for Lower Pole Large Stone
<b>Semi Live 04</b> - ED	• Partial Orchidectomy in the Management of Small Testicular Tumours
	• Penile Lengthening Technique with TachoSil
<b>Semi Live 05</b> - Pediatrics	• Hypospadias Repair: Things Not to Be Missed
	• Pneumovesicoscopic Ureteral Reimplantation
<b>Semi Live 06</b> - Prostate Cancer	• A. Complete Nerve Sparing Technique: Step by Step
	• Retzius-Sparing RARP with REVO-I

## Master Class

The prime objective of the Master Class is to promote cooperation, education, and exchange among urologists in Asian countries for the benefit of patients in the region, and will highlight the latest developments in various urological areas including uro-oncology. Master Class will be valuable for subspecialists and subspecialty trainees in urology.

- **Master Class 01** – Voiding Dysfunction
- **Master Class 02** – Kidney Cancer
- **Master Class 03** – Prostate Cancer 1
- **Master Class 04** – Prostate Cancer 2
- **Master Class 05** – Endourology 1
- **Master Class 06** – Endourology 2
- **Master Class 07** – Bladder Cancer

## Symposium

The main objective of the Symposium is to provide updates and review selected subjects in the field of urology. The audience will learn the newest developments in specific areas, which can be applied to actual practice at many levels. The Symposium is recommended for residents and physicians in urology.

- **Symposium 01** – Upper Tract Urothelial Cancer
- **Symposium 02** – Infection and Reconstructive Urology
- **Symposium 03** – Pediatrics
- **Symposium 04** – Men's Health and Andrology
- **Symposium 05** – Voiding Dysfunction
- **Symposium 06** – Kidney Transplantation
- **Symposium 07** – Novel Technology in Urology

## Sponsored Symposium

A total of 16 Sponsored Symposiums will be organized by pharmaceutical and medical device companies whose representatives will introduce cutting-edge developments and experiences in the field.

Hosted by

Astellas, Janssen, GSK, MSD, JW Pharm, Hanmi Pharm, Olympus, Amgen, Ipsen

# UAA 2020 Online Congress

UAA 2020 will be held as an online congress on October 15(Thu)-17(Sat), 2020. We hope that the Congress will bring further advancement to the scientific level and quality of the study of urology through this newly attempted online format!

UAA 2020 Website: [www.uaa2020.org](http://www.uaa2020.org)

## Register for UAA 2020 and Join the Online Platform!

- Visit the online platform on your device and check out the program. (Please make sure to use internet browsers such as Chrome, Safari, etc. The platform is not available for access via Internet Explorer.)
- Live Connection via online channels (Two online channels will be opened.)
- Innovative Online Booth Exhibition and Stamp Tour Event.

## Registration

- Registration fee is free. Pre-registration deadline is October 5(Mon), 2020.
- Pre-registered participants will receive their 'Access Code' by individual e-mail.
- Simultaneous access via multiple devices using the same access code will not available.
- (Only for Koreans) 본 대회는 연수 평점이 제공되지 않습니다.

## Stamp Tour & Raffles

### :UAA 2020 will operate "Stamp Tour Event"

*For your chance to win a gift, collect stamps from each booth!*

**STAMP TOUR**

*When you collect all stamps, you can receive a prize!*

 UAA 2020 SEUL	 JANSSEN STAMP TOUR	 GSK STAMP TOUR
 KEYTRUDA STAMP TOUR	 UAA 2020 SEUL	 JW STAMP TOUR
 HANMI STAMP TOUR	 OLYMPUS STAMP TOUR	 AMGEN STAMP TOUR
 FERRING STAMP TOUR	 UAA 2020 SEUL	 ROCHE STAMP TOUR

MORE

### How to Participate

1. Go to and visit each online booth.
